INSURANCE & FINANCIAL INFORMATION

Insurance

Please note that your insurance policy is a contract between you and your insurance company; CARE has no role in deciding what services will be covered by a given insurance policy. Diagnostic tests for Allergy and Asthma, as well as treatment options, including allergen immunotherapy (“allergy shots”) may or may not be covered under your healthcare plan. Sublingual immunotherapy (“allergy drops”) are not currently approved by FDA in the United States, and are not currently covered by insurance plans. It is CARE’s policy to offer proven, safe & effective treatment options that are preferably covered by your insurance plan, to minimize your out-of-pocket expenses. We take our responsibility to our patients very seriously.

It is your responsibility to familiarize yourself with your benefit plan and be prepared to pay for non-covered services, co-pays, deductibles and/or co-insurance. **ALL CO-PAYS, CO-INSURANCE, DEDUCTIBLES ARE DUE AT THE TIME OF SERVICE.** It is also your responsibility, per your insurance contract, to provide us with a copy of your insurance card that is currently in effect. If you are on an immunotherapy program and decide to receive injections the same day as an office visit, most insurance companies will not pay for the office visit and you will be responsible for the entire cost.

Outstanding Obligations

You may be required to settle all outstanding obligations before new appointments will be scheduled. CARE reserves the right to discharge a patient from the practice for non-payment of services.

Self-Pay Patients

If you do not have insurance, you are considered a self-pay patient. You will be responsible for 100% of all charges associated with your treatment. You will be expected to make payment in full at the time of service. Please call our Business Office at 434-202-2350 to make financial arrangements prior to your visit.

Forms Completion Fee

CARE will gladly complete school forms and other required forms presented at the time of an office visit at NO CHARGE. There will be a \$15.00 fee to process any form or request *not presented during an office visit*. Please allow at least 3 business days to process such requests.

Minor Patients

The parent(s) or legal guardian(s) are required to accompany all minors to their office visits. The parent(s) or legal guardian(s) are responsible for any patient due balances at the time of service.

Thank you; we look forward to serving you at CARE!
